P-25-106 Dock and Lakeside Park Improvements

Field Investigations Notice

Hello,

You are receiving this notice to be advised that the Town of Innisfil has initiated the design phase for the Dock and Lakeside Park Improvements capital project. To support the design process, field investigations will be conducted over the coming weeks.

Project Location & Objectives 30th Side Road Government Dock:

- Geotechnical Investigations: July 6, 2026 – **Dock access not available**
- Marine Archaeological Assessment: July 11, 2026 – Pedestrian access allowed

Isabella Street Boat Launch:

- Geotechnical Investigations: July 7- 8, 2026 – **Dock access not available**
- Marine Archaeological Assessment: July 11, 2026 – Pedestrian access allowed

Impacts on Neighbours

While we try to minimize the level of impact during construction, some neighbours can expect:

- Elevated noise levels during permitted work hours: 7:00 a.m. to 8:00 p.m.
- Disruptions to dock access
- Disruptions to boat launch

Project Contact

If you have any questions regarding the work, please call between the hours of 8:30 a.m. and 5:00 p.m., Monday to Friday.
